The public is hereby warned about a scam through WhatsApp group from a contact number **(+268) 7811 9862**, which has been created by a third party with the intention of defrauding would-be investors.

The imposter on WhatsApp group, called ESWATINI INV claims to be Mr. Mlungisi Lukhele, CEO of ESW Investment Group, uses a logo from ESW's marketing material as well as the company's office details. It has come to our knowledge that there have been hundreds of phone numbers added to the WhatsApp group and the public being promised unrealistic forex trading returns in an attempt to attract deposits from unsuspecting investors.

We have also informed the Financial Services Regulatory Authority (FSRA) and will continue to work closely with the Police and Regulators in pursuing prosecution of the fraudster operating the WhatsApp group.

The public should be aware that ESW Investment Group would never add anyone to a communication distribution group without prior permission and would not solicit deposits in this way. We would also not promise returns on investments in excess of 100% within two days and the company does not offer forex trading as a product.
